PREFACE

Victory, established in 1983 defined by outstanding achievements & bold entrepreneurship of Mohammad Ibrahim M.A. (Alig.) under the aegis of A.R.Traders with an aspiration to reconcile consumer's prospects in quality through continuous developments & innovations.

Today we have a strong presence in locks & hardware segment with the support of our esteemed dealers & distributor network across Indian market, backed by a committed team of professionals, skilled manpower and a dedicated R&D division which is endlessly making innovations in products range & designs to match consumers need and aspirations to all price segments.

Victory is a manufacturer of exclusive products range that includes designer Door Handles made of solid forged brass, Stainless steel & zinc, Mortise Locks, dead bolts & Furniture Locks available with both europrofile cylinder & lever key mechanism. Our in house production & finishing plant has contributed in generating the products with all quality measures to meet the market challenges & hence become the most popular brand name among architects, builders, fabricators & consumers.

We believe in excellence that results from total commitment to quality & services. This makes our product more reliable & desirable, a consumer's delight.
